Dedication

We the seniors of 1952 gratefully dedicate our annual to the various class sponsors who have helped us through our high school days. They are as follows: Mr. Rice our freshman year — Mr. Scholle our sophomore year — Miss Code and Mr. Zuege our junior year — and Mrs. Yates and Mr. Davidson our senior year.

ADMINISTRATION

The Board of Education

The Board of Education consists of seven members, who represent the different districts of the surrounding communities.

President of the board is Glenn Hewitt, who is active in community affairs. He farms north-west of Manlius and represents the Manlius district. Gilbert Thompson is secretary of the present board and resides at a farm near New Bedford. Asa Drayton has been an active member of the board for several years. Mr. Drayton resides in New Bedford and is employed at the Manlius Lumber Company. Art Wilson has been with the board of education for five years and farms west of Thomas. Ernest Lebahn, who has been with the board two years, resides on his farm east of Manlius. Vernon Hartz is a new-comer to the board, coming from the New Bedford district. He farms west of New Bedford. Another new-comer is Robert Lind, coming from Hickory Grove. Mr. Lind also farms near Manlius.

These men have contributed greatly to keep the school going, and we appreciate their work very much.

Faculty

Mr. Keist is the principal of the high school and also superintendent of the unit. He has both master and bachelor's degrees and has served with us for six years. He teaches practical math and algebra and does a very good of anything he tackles.

Mr. Davidson is assistant principal of our high school and has received both his master and bachelor's degrees from the University of Illinois. He teaches advanced business, typing, and bookkeeping. He has been with us now for four years. We all enjoy his good humor.

Mr. Rice is one of the members of the faculty which we lost this year. He had been with us nine and a half years until he took a position at Macomb. Mr. Rice did very much to improve our agriculture department. We all hope Mr. Rice enjoyed his work here as much as we enjoyed having him here.

Mrs. Jean Yates has been with us for three years, in which she has taught English and girls' physical education. Mrs. Yates directed the famous senior play and assisted with the equally good junior play. She is always willing to help anyone in need.

Miss Mary Jean Code has been with us four years. She has taught home economics to the high school and junior high homemakers and she is also F.H.A. advisor. She directed the junior play and ably assisted the senior play.

Mr. Gleich, a newcomer, is a graduate of Bradley University. Last year Mr. Gleich taught at Stockton, Illinois. He has charge of our athletic department; teaches shop, and physical education to both high school and junior high; and also spelling to the eighth grade.

Mr. Kinne is also a newcomer to our staff. He was a graduate of Normal University last year. He teaches the eighth graders, high school geography, and also coaches the junior high athletics. He is always willing to help you find material for themes.

Mrs. Johnson has been with us two years and teaches the high school girls' chorus. Her ensemble rated first in the district, thus enabling them to go to the state.

Miss Hensel is also a new member of our staff. She has both her bachelor and master's degrees. She received her bachelor's from the University of Illinois and the master's from Northwestern. She teaches high school band and junior high band and chorus.

Mr. Russell came to Manlius the first part of the second semester. Last year Mr. Russell taught at Minooka, Illinois. He took over the ag department when Mr. Rice left.

Mr. Vasen is a new member of our faculty. He was a graduate of Quincy College. He teaches high school social sciences and junior high science.

Mrs. Small has been at Manlius for two years. She teaches Latin, U. S. history, and world history. Mrs. Small is well-known for her good humor.

Miss LaVetta Jensen was the high school secretary for the first semester of school. She left us for a steady job of housework.

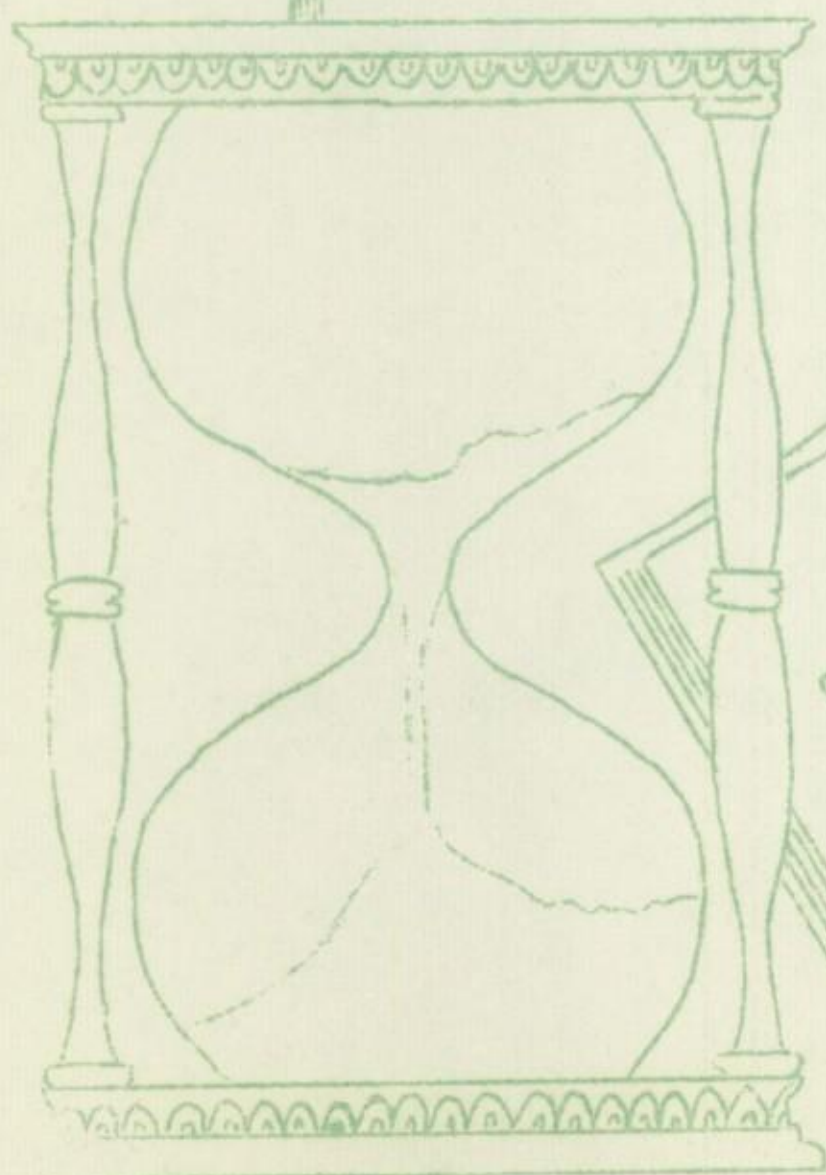

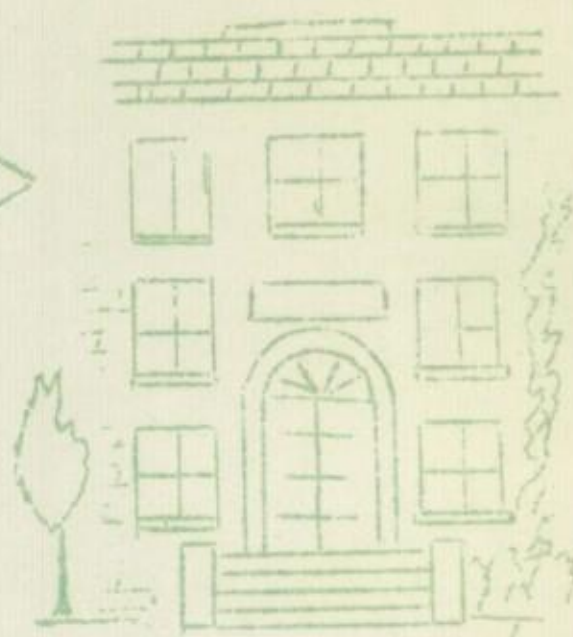

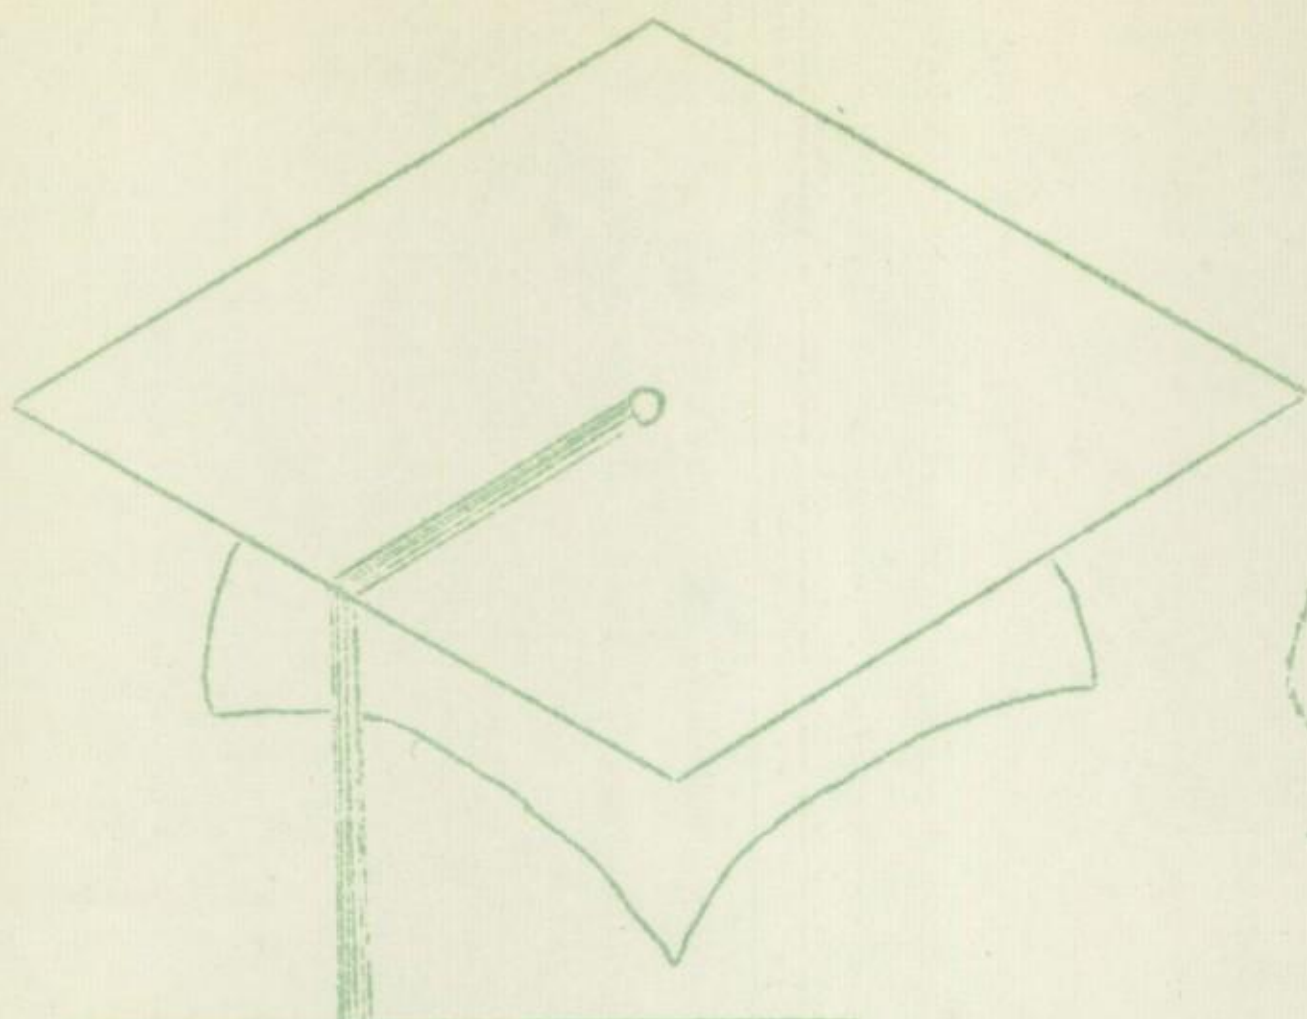

Mrs. Lila Oloffson is our present secretary who came to fill in the vacancy left by LaVetta Jensen. She is a graduate of Manlius High School in the class of 1947. We are very happy to have alumni for our school secretary.

Mr. Johnson is our janitor, who we always see with a broom of some kind in his hands. He has been with us for a number of years.

Mr. LuVern Smith is our assistant janitor, who helps to keep the school looking nice. He is a graduate of Manlius in the class of 1944.

Senior Class History

On August 29, 1948, 27 freshmen started their career at Manlius High School. We struggled through the first year under the supervision of Mr. Keist, principal; Mr. Rice, Mr. Davidson, Mr. Veach, Mr. Fay, Rev. Zeltin, Miss Code, Mrs. Loos, and Miss Coleman.

Our first few weeks were spent in getting acquainted with other classmates, and getting to the proper classes on time. The initiation took place the second week of school. During the day we unwillingly performed before the entire student body, and that evening the seniors gave us a party which completely made up for the day's sufferings.

For the first year we had as our class officers: president, Jerry Dabler; vice president, Annevieve Schmidt; secretary and treasurer, Ronnie Hewitt; student council, Norma Hartz and Dick Crane. Our sponsor was Mr. Rice.

During our freshman year Minnie Hodge and Margaret Schmitt joined our happy throng, but Alice Pope and Mary Carlson left us, thus making a total of 27.

In the fall of '48, as sophomores, we marched back into Manlius High.

Our teachers for this year were Mr. Keist, principal; Mr. Rice, Mr. Davidson, Mr. Veach, Mr. Fay, Mr. Scholle, Rev. Zeltin, Miss Rita Johnson, Miss Code, Mrs. Yates, and Miss Coleman.

Officers chosen for this year were: president, Annevieve Schmidt; vice president, Norma Hartz; secretary and treasurer, Frances Coggins; student council, Joanne Hewitt and Ronnie Hewitt. Mr. Scholle was our sponsor.

Being sophomores, our social privileges were increased. The first of these social affairs was our class dance. This dance proved to be a huge success. Spin Lawrence provided the music for this gala affair.

This year we lost Dick Crane, Robert Hanson, Marvin Frank, and Gloria Henson. Marjorie Eickmeier came from Bureau Township to increase our class roll to 21.

As "Jolly Juniors" we entered the doors of Manlius High in the fall of '50. This year we have only 21 members.

Senior Class History

(Continued)

This year we elected the following officers: president, Ronnie Hewitt; vice president, Norma Hartz; secretary, Joanne Hewitt; treasurer, Charlene House. Our advisors were Miss Code and Mr. Zuege.

Few changes took place in the teaching staff. Faculty members were: principal, Mr. Keist; Mr. Rice, Mr. Zuege, Mr. Scholle, Mr. Kinnamon, Mr. Davidson, Mrs. Yates, Miss Code, Mrs. Small, Miss Ropp, and Mrs. Johnson.

Our activities consisted of a public dance and a class play, "Seventeen is Terrific", which was presented during the first part of the second semester. We were given the responsibility of preparing for the junior-senior prom. Our theme was "Mayday Romp", and it took a great deal of work and effort to make it as pretty as it turned out to be.

In August of '51, 21 seniors entered the high school for their last year.

This year we were under the supervision of Mr. Keist, principal; Mrs. Yates, Miss Code, Mrs. Small, Miss Hensel, Mrs. Johnson, Mr. Davidson, Mr. Vasen, Mr. Kinne, Mr. Gleich, and Mr. Rice, who was later replaced by Mr. Fred Russell.

This year we chose the following officers: president, Ronnie Hewitt; vice president, Jerry Dabler; secretary, Norma Hartz; treasurer, Margaret Schmitt. Our sponsors this year were Mrs. Yates and Mr. Davidson.

Our class sponsored the homecoming dance this year for the first time, breaking the tradition of the alumni sponsorship. Our class play, "The Campbells Are Coming", which was presented to the public in the early spring, was a huge success. We plan to take our senior trip the first week of June. Destination — Washington, D. C.

1952 Class Prophecy

The other day as I was traveling from Chicago to Manlius to display my fashions at "Marge's Department Store" — Marjorie gained experience in this line by working in the dime store on Saturdays throughout the school year — I stopped at a bus station to inquire directions. While talking to the ticket agent, I saw Norma Hartz, an old classmate, getting off the bus. I asked her if she would care to go with me to Manlius and she said she would.

As we were traveling along route 88, we noticed the temperature of the car rising and we decided we had better stop at the next farm house.

When we arrived at this attractive farm house, we noticed that the farm wife was no other than Mrs. Virginia Hurst, a classmate. She invited us to stay for dinner and then she told us that Annevieve Schmidt was to sing in an opera that afternoon on television and invited us to stay — Annevieve received her voice training from M.H.S.

As the car was now repaired, we decided to start out again for Manlius and arrived in the suburbs in thirty minutes. We soon learned by reading all the posters that Charlene House was campaigning for governor — Charlene always had this ambition in high school.

Arriving at the department store and viewing the models for the style show, we recognized Minnie Hodge with her world-wide known hair style, "the horse's tail."

We also recognized Joanne Hewitt and Margaret Schmidt modeling their red and white checkerboard blouses similar to the ones worn during their high school "daze."

As we left the department store to mail the decisions on the style show, the post-master was none other than Jerry Dabler — this was not surprising because Jerry always did like to play post office.

While we were hunting for a hotel, we passed a locker which was operated by Mr. and Mrs. James Glafka, the former Kay Rumbold — could this be the reason they were always in the hallway at school?

1952 Class Prophecy

(Continued)

We went hurriedly on and were still searching for a hotel room when we found a swanky place owned and operated by Roberta Johnson. We asked if we might spend the night and then we inquired about the night entertainment of Manlius.

We were undecided as to whether to attend Judy Cook's concert, Gyles Gish's new bowling alley which doesn't need pin setters, or the Ohio-Manlius game. Ronnie Hewitt, a Little Eight Star of "52" was coaching the Red Devils. But before we could decide, Mr. and Mrs. Neal Clementz had learned of our arrival in town and asked us to help them celebrate their tenth wedding anniversary. Mrs. Clementz, or Janet Vandermoon, told us that Shirley Pont had taken a position as head nurse of the hospital.

We were looking for the weather report in the local newspaper when we noticed Janet Salzmann was the editor — Janet received her experience while she was editor of the school paper, "The Reflector."

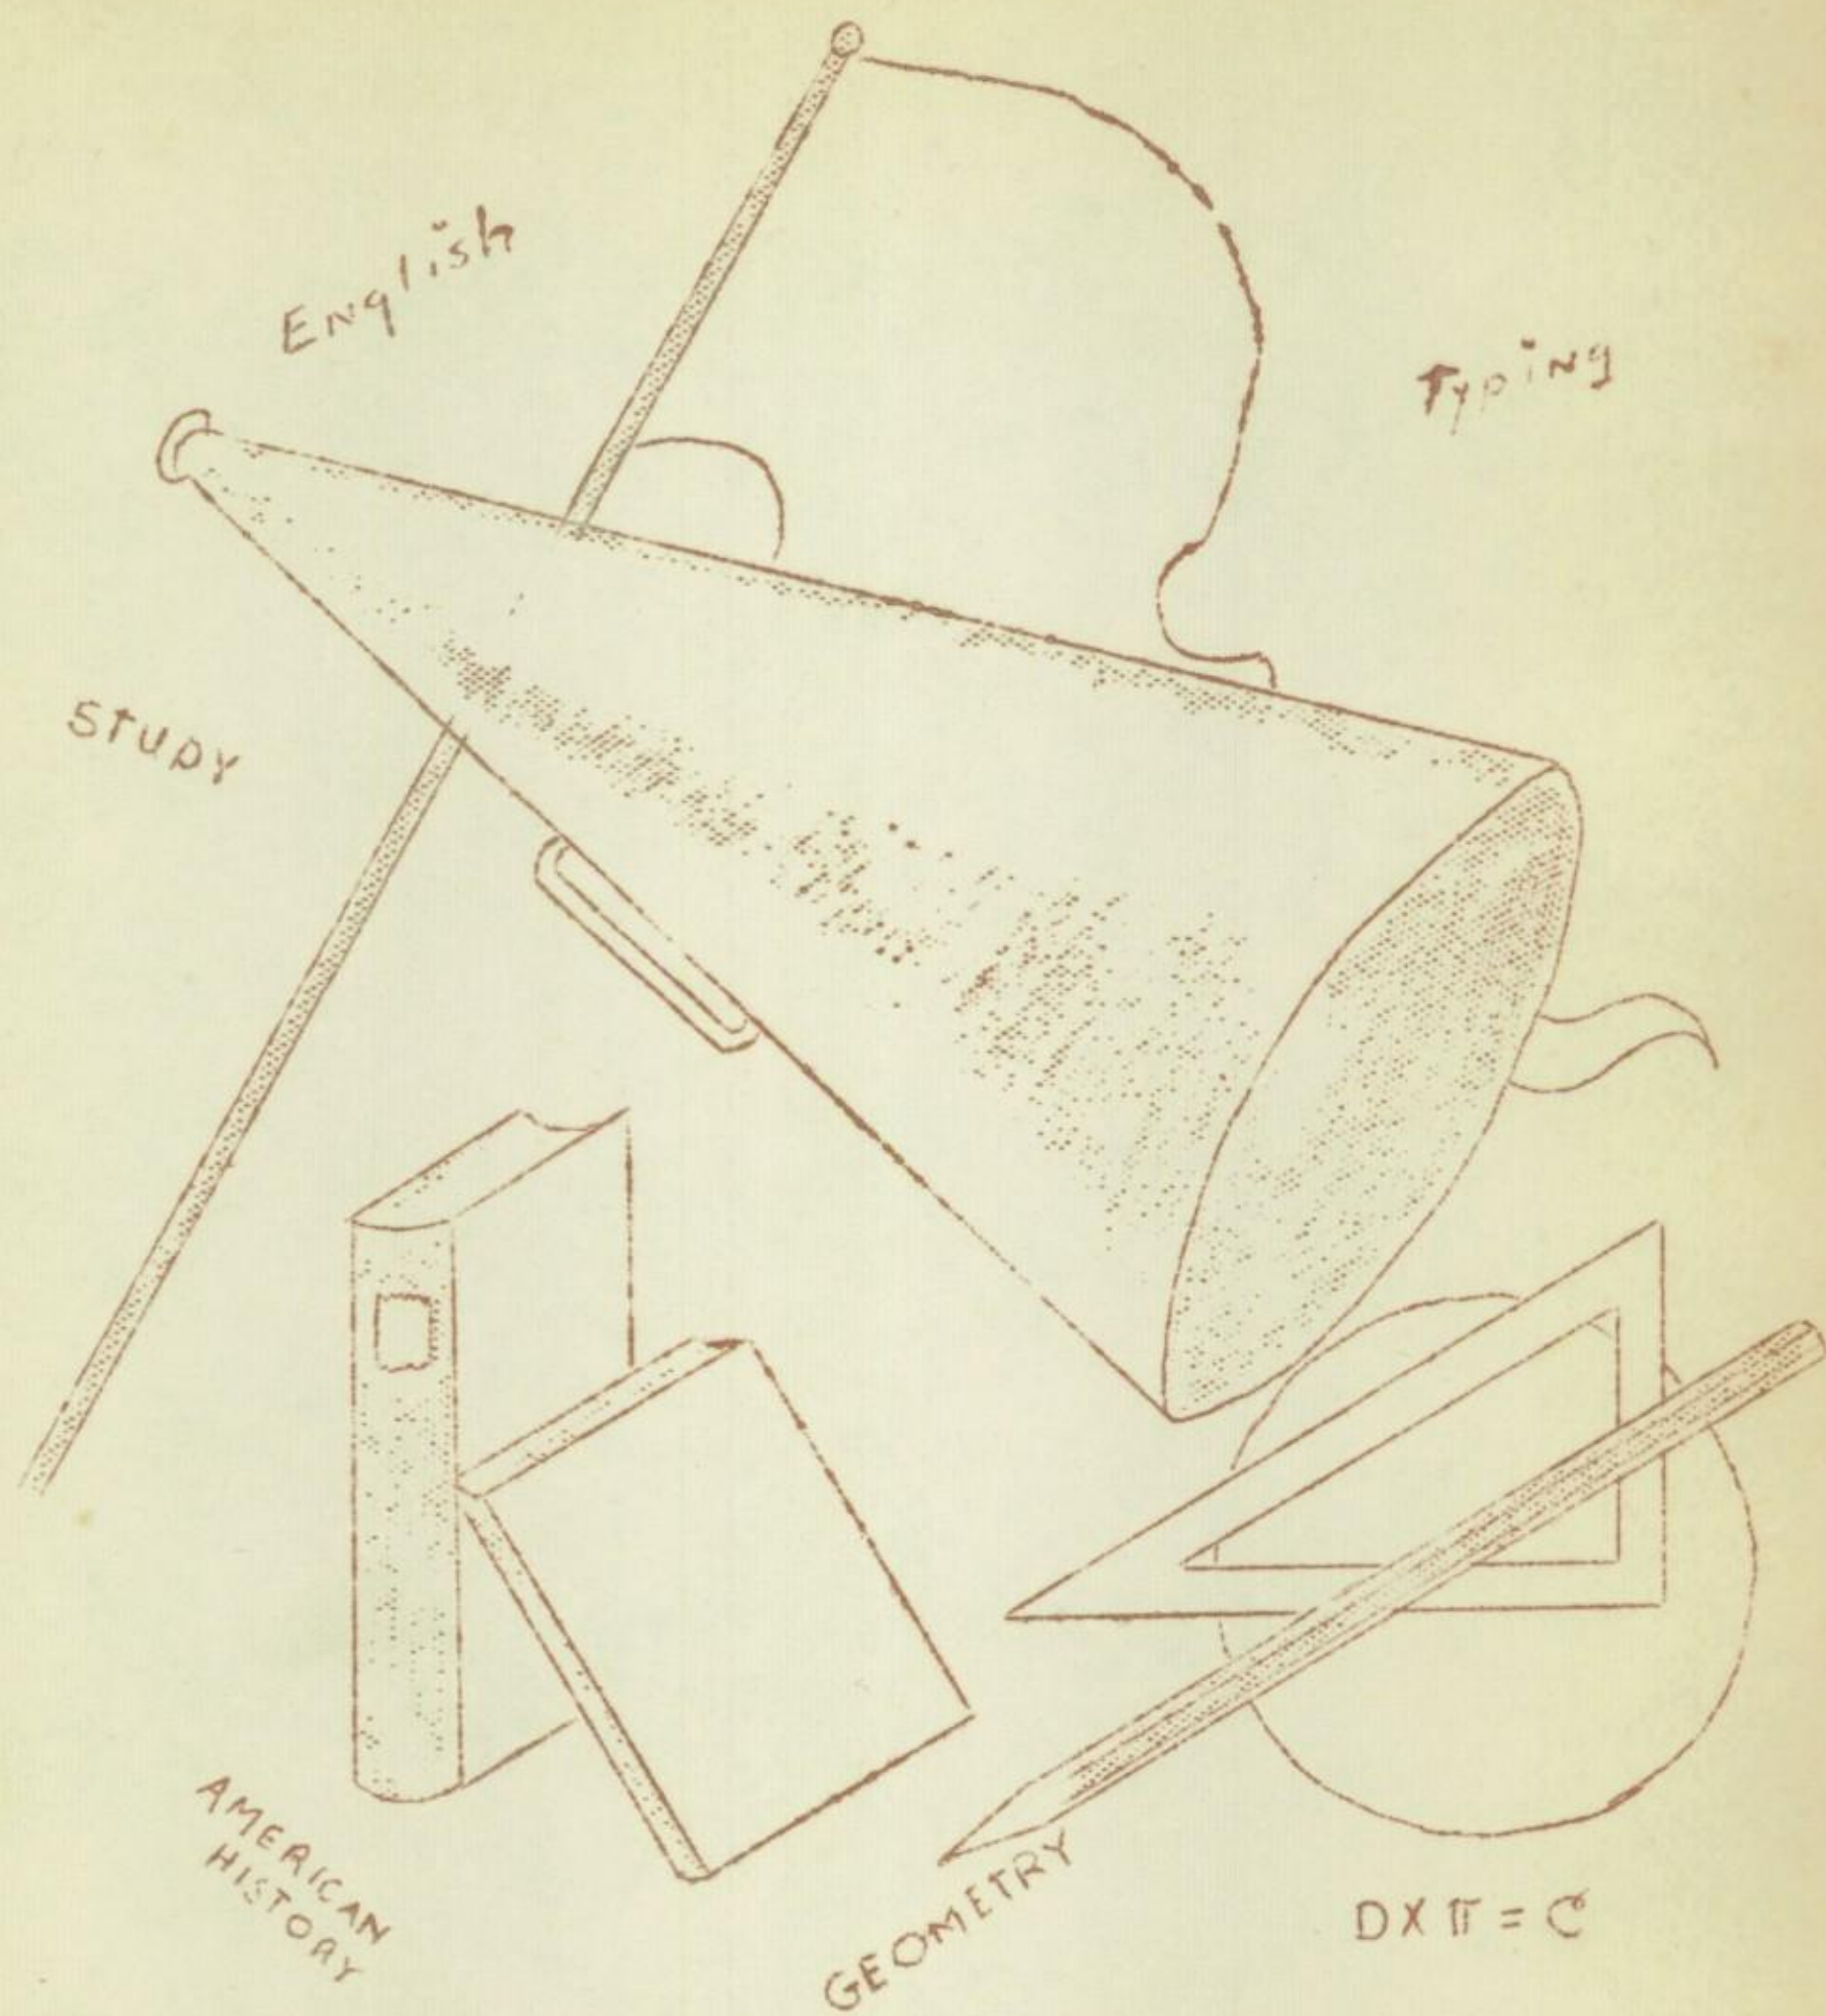

Before leaving Manlius we decided to look at the new high school. While we were wandering through the building we saw Bobby Lind. He told us he was now head instructor of the Ag department.

As time was going fast, we decided we had better start for home.

While we were driving out of the city, we noticed a neon sign flashing "Gumfory's Junk Yard." Carl always did have an eye for old cars. Sam Etheridge, a former classmate, was visiting Carl. Sam told us he was employed by the Wrigley Chewing Gum Co. His job was testing the flavor of the gum — he had experience in this line before leaving M.H.S.

I left Norma at her home in Walnut just in time to prepare supper for her family. I then started back to my home in Chicago.

This is the last of the Class of "52." Any resemblance to persons living, dead, or otherwise is purely intentional. Anyone wishing to write to the authors of this should address their letters to Frances Coggins or Norma Hartz.

JUNIORS

Juniors

We the Juniors of 1952 returned back to good old M.H.S. with a busy year ahead of them. The class was composed of 15 girls and 11 boys, all of whom are looking forward to graduation in 1953.

At the beginning of the year a new member, Shirley Allen, was added to our class. She moved here from Benton Township.

During the second semester we lost two members of our class. Helena Wertz moved to Princeton and Dick Smith quit school and went to work.

During the football season we put on a bake sale, some of our boys went out for football, but they did their share in helping the class.

The Junior Class was given the opportunity to decorate the football field for the Homecoming. It was a lot of fun and it took a lot of time and hard work.

Also during the school year we had a couple of chili dinners for the entire school. They proved to be a success and it seemed everyone enjoyed them.

This was the first attempt at high school acting, but with everyone's fine cooperation it turned out a success.

At the present time we are planning on a dance some time in April. We are also busy working on the Junior and Senior banquet and prom. We hope this affair will be the biggest and most successful of the year.

Our class officers for this year are: President, Lewis Reed; Vice President, Dean Etheridge; Secretary, Patsy Dabler, and Treasurer, Barbara Johnson.

This year three new faces were added to our class. They are: Bill Doty, Marlene Thomas, and Delbert Clayton.

We started with twenty-one boys and seven girls, making a total of twenty-eight, but we lost one girl about the end of the first semester.

We participated in the magazine campaign with good results.

ACTIVITIES

Extra Activities

As we wandered through the high school with our camera, we found many interesting snaps of classes. But much to our own disappointment we couldn't take them all. We did take quite a few but we are sorry we couldn't take more.

The Biology Club

The Biology Club held its meetings the last Friday of each month. The officers were elected at the first meeting, November 30, and are as follows.

President	.	.	.	.	.	Virginia Bollnow
Vice-President	.	.	.	.	.	Clifford Gaunt
Secretary-Treasurer	.	.	.	.	.	Mary Kirkpatrick
Advisor	.	.	.	.	.	Mr. Vasen

There were six meetings held throughout the year. A business meeting was held at each one with a Biological movie for entertainment. A trip was made to Chicago to the Science and Industry Museum March 29, and enjoyed by all.

Our music department was under the direction of Mrs. Jeanette Johnson and Miss Hensel, this year.

Our band, under the direction of Miss Hensel, gave a concert and participated in the district contest. A brass ensemble was organized consisting of: Janet Salzmänn and Joanne Hewitt on the trombone, Carol Smith and Judy Cook on the cornet.

Our chorus, under the direction of Mrs. Johnson, also gave a concert and the small chorus and ensemble participated in the district contest. The ensemble rated first in the district which entitled them to participate in the state contest.

The Varsity Cheerleaders this year were: Joanne Hewitt and Norma Hartz, seniors; Barbara Johnson and Patsy Dabler, juniors. The Junior Varsity included: Margaret Lind and Polly Schuneman, sophomores; Sally Dabler and Ethel Hartz, freshmen. These girls did a fine job in cheering their team on to victory.

We hope that this annual will bring as many pleasant memories as we have had enjoyable times compiling it. The annual staff for this year is as follows:

Senior Class Play

The seniors of '52 gave their presentation of *The Campbells Are Coming*, a hilarious comedy of three acts, given April 4, 1952. The action of the play centers around the Brannigan family who try to keep Kaye from marrying Kingston Campbell, because they want her to marry Jeff Scudder, a home town boy. They prevent the marriage by putting on a hillbilly act that floors the Campbells completely, making Kaye realize Jeff is the one that she loves.

The cast includes:

Ma Brannigan	Annevie Schmidt
Who lives for her grandchildren	
Catalpa Tapp	Virginia Lundgren
The hillbilly servant	
Betty Brannigan	Frances Coggins
Ma's younger granddaughter	
Dick Brannigan	Jerry Dabler

One Act Play

"Orchids For Marie" by Phelps is a rollicking comedy about teen-agers. Robert (David Van Ormer), who is just back from college, beleives himself to be a suave, sophisticated man of the world and spurns the more juvenile pastimes on his home town friends—Billy (Bob Schaefer), Jean (Kay Rumbold) and Agnes (Mary Kirkpatrick).

When Robert's chance to date a famous movie actress dissolves into thin air, he is stuck with fifteen dollars worth of orchids. However, he solves his problems by selling them to Ernest (Larry Hurst) who is the best friend of Rosalind (Margaret Lind), Robert's sister. All ends well and Robert decides that maybe the friends "back home" aren't so bad after all!

Football

The Redevils opened the 1951 season with an outstanding state record of an "18" game winning streak.

Our first game of the season was a victory over Sheffield, 24-0. The first touchdown of the year was made by Ronnie. Our next game was at Malden. With a score of 33-12, we boosted our winning streak to the magic "20" mark. Our next game was with Wyanet, played on the Manlius gridiron. With Ronnie and Gyles setting the pace with four and two touchdowns, respectively, an easy victory of 38-13 was the outcome.

Manlius next took a trip to Tiskilwa. With a nip and tuck battle all the way, we finally came out ahead with a score of 14-7. A crowd of more than 1,250 fans jammed Manlius to see the homecoming battle between Manlius and Ohio. This was the decisive game for the Little 8 Crown. In the second quarter Ronnie brought the crowd to its feet with a 98 yard dash for a touchdown. Both teams fought a scrappy battle all the way, but Ohio refused to be beaten. They edged us out by a slim margin of only one extra point, making a score of 19-18, thus ending the longest high school football winning streak in the state of Illinois, with the grand total of 22. Manlius made a strong comeback by beating Buda the following week with a score of 66-20.

The Manlius Redevils were host to Bureau in the seventh game of the season. Manlius led all the way with a score of 32-7 at the half, and continued to run wild for the rest of the game with a score of 52-14 at the end. Manlius, again traveling away from home, were guests of La Moille. This was a one-sided game with a score of 55-0. Manlius scored touchdowns in every period. The game with Neponset was played in the afternoon, on the muddy field at Neponset. Ronnie ran wild with five touchdowns which were all long runs, making the score 45-12. Ronnie scored a total of 181 points.

Three of the Manlius boys placed on the All-Star team picked by the players and coaches of the Little Eight conference. They were: Bob Lind at Center, Fred Dobbke at Tackle, and Ronnie Hewitt at Half. Ronnie was the only player who was a unanimous choice of all.

Basketball

This year our basketball team had a very good season. We overcame our lack of heights to win the Little 8 Championship, and placed second in the Polo Holiday Tournament.

With the grit of the team and the backing of the fans, the reddevils spurred on never to lose a game on the home floor. Their record for the year was that of 22 wins and only 5 losses.

Seniors on this year's squad were: Ronnie Hewitt, Bob Lind, Jim Glafka, and Jerry Dabler. The following boys will come back to make the nucleus of our first string next year: Bill Lickhart, Lewis Reed, Bill Doty, Dick Johnson, Charles Hensen, and Dick Anderson.

Our Junior Varsity, coached by Mr. Vasen, had a good season, winning twelve and losing seven. After beating Atkinson and Tampico in the Annawan Invitational Fresh.-Soph. Tournament, we played Erie for the championship and were beaten by only a small margin.

After winning three new trophies this year, we thought we would mention about the new trophy case that was completed and put up at the head of the stairs of the main entrance. This trophy case was made possible by the money left by the class of 1950.

Track

Practice for our Spring track season opened Monday, March 31, with only 16 boys reporting. Our overall strength will not be too great as we will lack depth in most events.

In the mile run we are pretty well set. We have Jim Glafka and Bob Lind. Jim set a new conference record last year and Bob placed 4th in the conference meet. Ronnie will prove valuable in the broad jump and the dashes, having placed high in both last year. Gyles Gish and Don Mueller both are fighting it out for honors in the 440 and the 220. Lewis Reed should do well in the high jump and the pole vault. He tied for 2nd in the high jump last year in the conference meet. This year he will also work on the 880. Bill Lickhart will help in the discus and the 220. Bob Cooksey should pick up points in the dashes and relay.

The sophomore class is represented by only four—Larry Hurst, Dave Van Ormer, Bob Pyse, and Weldon Wilkensen. Hurst and Van Ormer are working on the hurdles and relay and the other two are working on the half mile run. Don Tracy, who placed third in the State Grade School finals in the 440, will lead the freshmen reporting for the first time. Bucky Hensen should help in the dashes; Larry Sugars in the quarter; and Perry Nelson and Harold Metz in the weights.

The schedule of meets is as follows:

April 8—Manlius, Wyand, LaMoille at Sheffield.
April 12—Geneseo Relays.
April 15—Manlius, Buda at Ohio.
April 22—Bureau, Malden at Manlius.
April 25—Galva Relays.
April 29—Manlius, Neponset at Tiskilwa.
May 6—Little 8 Conference meet at Sheffield.
May 10—District Meet.
May 13—Little 8 Fresh.-Soph. meet at Sheffield.

When section two of the seventh grade assembled last September, we had an enrollment of thirteen boys and ten girls. During the first semester Carolyn Bell moved to Kentucky and Lyman Allen from West Bureau joined our ranks. During the second semester Shirley Evans moved to Sheffield and Frances Foy came from Tampico to join our group.

It took us a little while to get accustomed to our new environment. We have enjoyed many privileges offered in Jr. High, such as: band, chorus, shop, home ec., and physical education. We have especially enjoyed having the gym to play in at noon during the cold winter months.

We had a gift exchange and Christmas tree but due to bad weather few were here to enjoy it. We enjoyed a Valentine party on February 14. We are looking forward to a Jr. High picnic some time soon.

On March 29, Mr. Vasen, our science teacher, took all the seventh grade on a science trip to the Museum of Science and Industry in Chicago.

Class officers for the first semester were: president, Norman Barry; vice-president, Larry Lubbs; secretary, Francis Schaefer; treasurer, Janice Johnson.

Class officers for the second semester were: president, Jack Dabler; vice-president, Medley Tornow; secretary, Janice Johnson; treasurer, Norman Berry.

Janice Johnson and Glenda Rogers were elected cheerleaders from our room.

Due to the large number of students entering Junior High last fall, it was necessary to divide them into two sections.

Section I of the seventh grade, with an average enrollment of 22 pupils, has had an interesting year of study and play.

In addition to the regular school work, the 17 boys and 5 girls have participated in chorus, band, physical education, shop, and home economics, plus an enjoyable party or two. At the Christmas season, the class took the decoration of the room and windows as a class project, and a very beautiful tree was decorated and an interesting village scene painted on the windows of the room. Hearts and flowers were in order at the Valentine Party held later on in the year. Also, we are looking forward to a class picnic soon. During the year, we had one loss to our group on the transfer of Sonia Zeltin whom we miss very much, and one addition whom we welcomed, Rhuben Floyd.

The class officers of the 22-A Club elected for the first semester were: Sonia Zeltin, president; La Verne Salzmänn, vice-president; Charles Hewitt, secretary; and John Neahr-ing, treasurer. Our second semester officers: Jimmy Miller, president; Dean Schaefer, vice-president; Duane Schaefer, treasurer; and Anita Raabe, secretary. Our cheerleaders were Sonia Zeltin and Barbara Hurst.

7A

First Row: Anita Raabe, Duane Schaefer, Dean Schaefer, Barbara Tigner, Jimmy Miller, Harold Ericson, and Blanche Hardy. *Second Row:* Charles Hewitt, Viola West, Donald Johnson, Charles Hunt, Charles Peterson, Barbara Hurst, and Billy Webb. *Third Row:* LaVerne Salzmänn, Edwin Lowder, Curtis Boyce, Rhuben Floyd, John Neahr-ing, Billy Eckberg, and Ronald Hensen. *Not present when picture was taken:* Sally Hurley and Clifford Jensen.

Eighth Grade

The faces we saw the first day of school were the same familiar ones we saw around us as we entered Junior High School. A few changes were made, however, by the end of the year Tom Bell, Ronald Kuepker, Don Wertz, and George Schmitt moved out, and Clarence Frank, Shirley Benoodt, and Bill Chesney moved in.

As a parting gift for the Junior High, we donated a trophy case, made by the boys in shop class. During the basketball season we operated a concession stand to make money for our treasury.

Our class officers were as follows: first semester president, George Schmitt; vice-president, Marlene Fordham; secretary, Rosalie Snodgrass; treasurer, Beth Swanson; reporter, Patti Anderson. Second semester president, Theora Wiseman; vice-president, Dennis Anderson; secretary, Katherine Miller; treasurer, Betti Anderson; reporter, Rita Cooksey.

Cheerleaders from the eighth grade were Beth Swanson, Marlene Fordham, Kay Nelson, and Rosalie Snodgrass.

Besides having Mr. Kinne for our home room teacher we also had: Miss Code, who teaches us home economics; Mr. Gleich, who teaches us spelling, civics, boys' physical education, and boys' shop; Mr. Vason, who teaches us science; Mrs. Yates, who teaches us girls' physical education; Miss Hensel, who teaches band and chorus.

First Row (left to right): Beth Swanson, Rosalie Snodgrass, Marlene Fordham, George Schmitt, Theora Wiseman, Dennis Anderson, Katherine Miller, and Betti Anderson. *Second Row:* Mr. Kinne, Beverly Trudson, Richard Van Bevern, Marilyn Vetter, Clarence Frank, Ronald Kuepker, Patti Anderson, and George House. *Third Row:* Beverly Bruhn, David Michlig, Edith Mueller, Richard De Brock, Janet Pyse, Ronald Nordstrom, Rita Dell Cooksey, and Stanley Thorpe. *Fourth Row:* Charles Boyce, Marilyn Gallentine, Donald Wertz, Shirley Partin, George Krug, Kay Nelson, Irvin Webb, Elaine Hartz, and Philip Fox.

interesting program, of their travels in Africa. -- On the second of May the Junior Dance was held. Music was furnished by Harold Harney. Finally the big track meet came. All the little 8 schools met at Sheffield for a final track meet this year. Manlius won by a small margin of 1-one point. Our track queen this year was Barbara Johnson.

Tomorrow, the 13 of May the Little 8 Fresh-Soph. Track Meet will be held. We are planning to do very good in this meet. Saturday the 17th of May is the Junior-Senior Prom. We all expect to have a wonderful time. Their pattern of decorating is Hawaiian, with palm trees over the water. -- On the 20th of May is the all sports banquet, in which all the boys and cheer-leaders are honored with a supper and entertainment. Then comes the final events for the seniors. On Sunday night, May the 25, Baccalaureat is held with Rev. Wynne Cook, as our speaker.

for the evening. The following night is Commencement. Dr. Carl Winters is to be guest speaker. The music department will furnish music for both events.

Now we must tell you about our senior trip we are planning to take. We start on May 28 from Peoria for Washington D. C.. We plan to stay in Canton, Ohio the first night, and arrive in Washington the following afternoon. We plan to see everything that we can in the two days and three nights that we plan to be there. On the fifth day we are leaving for home by way of the Skyline Drive which should prove to be very worth while. Today were elected honorary captains they are; Ronnie and Styles, football; Bob and Jim, basketball; and Ronnie and Jim for track. May 2nd the ensemble went to Macomb to participate in the State Music Contest, and received a second rating. On Saturday the small chorus arrived and participated Saturday afternoon and received a first rating. Congratulations girls. That's all for this year. Bye now. Your editors
